Philosophy

St. Mary Daycare & Preschool strives to provide a warm, happy and creative atmosphere in which your child can develop socially and academically. We want to help you help your child build a positive self-esteem and to become resilient. Our goal is for everyone to walk in the door with a smile and leave with a smile!

Our Academic Daycare program incorporates preschool class as a part of the daily schedule.

This daily schedule is designed to have the proper discipline and curriculum to prepare your child for school.

The curriculum includes science, math, phonics, Spanish, gym, activities to develop fine motor skills and teachings and modeling to help social and emotional development. **The daily schedule of the Academic Daycare is also designed to be used as a Pre-Kindergarten program.** Depending on the times your child will be attending, the Academic Daycare program offers breakfast, lunch, snack and a rest period.

ST. MARY SCHOOL STORY

Since 1865, people have known St. Mary School students by their actions. This is because throughout our history, we have focused on building students' character based on the values instilled by the Catholic Faith, and a foundation of academic excellence.

St Mary School provides a welcoming environment where families have the freedom to celebrate faith, in a world of need, responsibility matters and strength is needed to serve our communities. It is our mission to develop students who have the ability to be mentors and leaders in the world. We recognize that each student is a unique gift from God and we individualize instruction to help them reach their full potential. We strive to promote an atmosphere that encourages a love of learning and provides children with a foundation of faith to balance and guide them for the rest of their lives.

Welcome

Thank you for your interest in the early childhood programs here at St. Mary. We are proud to offer you a program that is specifically designed to help your child prepare for school!

If at any time you have questions regarding your child please contact us at 330-262-2752. Please note that the St. Mary Daycare & Preschool phone number is different from the St. Mary School elementary school number.

Transitioning

There is Orientation in August to provide the parent and child an opportunity to visit our classroom.

There is a Parent Meeting within the first two weeks to acquaint the parents with our program and to answer any questions. Please, NO CHILDREN at the parent meeting.

Conferences will be held to share results of the formal assessments and screenings that we conduct. In addition to conferences the results can be shared through a letter and/or conversation. We also transmit information regarding the children electronically to the state.

We provide newsletters with activities and tips to help your child transition from home to preschool and from St. Mary School Preschool/Daycare program to out of our program.

Children that leave our program at the end of our school year to move to kindergarten are given a Preschool Certificate. Children that transition from our program due to any other circumstances are given a goodbye momento.

Volunteers

In accordance with policy set forth in Senate Bill 187, if we use parent volunteers in our program we may ask that volunteer to be fingerprinted.

Ready for Preschool

There are several things your child will need: A full change of clothing Child must always be dressed in tennis shoes and clothes the child can manage In the winter – the child must have snow pants, boots, hat, gloves and coat a beach towel for nap time

Book Bag

Your child will need a bag with an extra set of clothing and a large plastic bag for situations where soiled clothing need to be sent home. Please note, it is a sanitation regulation that we can not rinse soiled clothing, so please do not be offended if you get soiled clothing sent home in the plastic bag. Book bags are to be hung on the hooks outside the Preschool & Daycare Main Room.

Dress Code

We do not require a uniform like the Elementary School – however, it is VERY important for your child to follow our simple dress code to insure that all playtime and gym activities are safe for your child.

Your child should not wear sandals or any type of dress shoe, they should wear tennis shoes at all times. Your child should not wear dresses or skirts that are long and flowing. Your child should wear shorts under their dress or skirt. Your child should wear clothing they can manage easily by themselves – elastic waist pants etc...

Outdoor Play

The children go outside daily, weather permitting. The children must be dressed in tennis shoes (no sandals) and appropriate play clothes. For winter/cold weather they must have a warm coat, hat, mittens, snow boots and snow pants. You may want to have duplicates of these items and leave them in the classroom on the child's hook. If the items will be transported back and forth the items **MUST** be brought into the classroom. Label, label, label!!! Label all items! There is a LOST & FOUND in the classroom, but we want to avoid using lost and found.

Note: If your child is too sick to go outside, they are too sick to attend our program.

Children will not go outside if: it is raining or the temperature is below 20 degrees Fahrenheit or the Real Feel is below 20 degrees F or if the temperature is above 90 degrees Fahrenheit and the Real Feel is above 90 degree Fahrenheit.

Snacks-Meals-Rest Period-Treats

The children are offered breakfast at 7:25am **the child MUST arrive on or before 7:25am to be served breakfast.** The children may not bring food from home for breakfast; we must comply with state requirements for items served. If you would like to donate or bring in breakfast items to be served please contact a staff member.

Lunch served includes food from the meat, milk, bread AND two foods from the fruit and vegetable group. Snack includes food from two of the four food groups.

Lunch is at 12:05 pm, again if your child needs to pack a lunch for any reason please contact the Administrator, there is a State required hand-out regarding what must be served to the children while in the Daycare facility.

Rest period begins at 1:30 pm, if your child is not going to stay for rest period (in other words is attending half days) we ask that the child be picked up on or before 1:30 so it does not disturb the children who will be napping.

We provide each child with a cot. Please send in a beach towel for your child's comfort on the cot. The towel must come to school in a plastic bag (such as a Wal-Mart bag). The towel will be sent home weekly to be laundered as per the guidelines set forth in the Ohio Department of Jobs and Family Services Child Care Manual.

All children are offered snacks. **We do ask the parents to donate snacks and juice.** All snacks being served in our program must be prepared commercially or in an inspected kitchen. What this means for the parent/guardian is simply that you must purchase a snack from a grocery store or other inspected facility.

Parent Access and Participation

The parent/guardian of a child enrolled in our center shall be permitted unlimited access to the center during the hours of operation for the purpose of contacting the child, evaluating care provided, evaluating the premises or for other purposes approved by the Administrator. Parents may wish to attend field trips, parties, special luncheons or simply stop in to join the daily fun.

A staff member is available to discuss a child's progress or needs at any time. Parent/Administrator conferences are offered twice a year. If the parent(s) desires a private or lengthy discussion an appointment can be made. If parent(s) have any concerns or questions at any time it is recommended that the following chain of command be used until an answer or solution is found.

1. Child Development Associate – Mrs. Gajda & Mrs. Adams
2. Program Administrator – Mrs. Hostetler.
3. School Principal/Building Administrator - Mrs. Marvin
4. Pastor – Father Steve

Please feel free to bring up concerns as they occur. Often they can be addressed when they are little problems, before they grow into bigger problems. The staff fully realize that you are trusting us with your little ones and we want our relationship to be a good relationship.

Daycare parents/guardians are invited to join us for lunch! Please let the staff know before 9 am of the day intended so we can make sure we can accommodate all adults for lunch. Lunch begins at 12:05 pm. If you order a school lunch there is a small fee.

We offer our main classroom office as a space for mothers to breastfeed and/or pump breastmilk.

Arrival and Dismissal

The only entrance into the building you may use is the Main entrance off the parking lot.

Each child must be accompanied into the room and only be left when a Daycare Preschool Staff member is made aware of their presence. The parent/guardian/adult must write in the time of arrival in the Daycare Sign-in/Sign-out book. Children must be picked up PROMPTLY at the end of the session.

We must have prior WRITTEN notification in order to release a child to someone other than a parent or guardian. Any person picking up your child must have a picture ID (driver's license or state ID).

A child that has an older sibling in the elementary school may sign the child out of preschool to go to car line, bus or van transportation with written consent from the parent and approval from the school principal and preschool director.

Please call and let us know if your child will not be attending.

If you need to bring your child earlier than stated on the Registration Form or you need them to stay later than stated on the Registration Form, you MUST LET A STAFF MEMBER KNOW IN

ADVANCE. We most likely can accommodate the additional time, but we need to be sure staff have been scheduled to meet the state required child to adult ratios.

Parent Bulletin Board

There is a bulletin board in the lobby, which will be posted with information regarding both the Academic Daycare and the Preschool program. Please familiarize yourself with this bulletin board.

Daycare Monthly tuition and Registration

Tuition is due on or before the first of each month. Advanced payments are always acceptable. The following schedule may help you to make sure monthly payments are on time:

August/September Payment	Due @ Orientation held in August
October Payment	Oct. 1 st
November Payment	Nov. 1 st
December Payment	December 1 st
January Payment	Pay prior to break – or mail in postmarked no later than Jan. 1 st
February Payment	Feb. 1 st
March Payment	March 1 st
April Payment	April 1 st

Payments can be made - by placing them in the box in the Daycare Preschool Main Room
mailing them to : 515 Beall Avenue, Wooster, OH 44691
dropping them off in the School Office
(Payments should NEVER be made in the Church office)

Make payments payable to: St. Mary All returned checks would accrue a \$15.00 fee. Arrangements for payment by money order may be required.

Before your child enters our program you will be asked to state the hours and days of attendance on the Registration Form.

If at any time during the year your needs change, we will try to accommodate.

If you need to bring your child earlier than stated on the Registration Form or leave them later than stated on the Registration Form you must LET A STAFF MEMBER KNOW IN ADVANCE.

Unless a child is ill for an extended length of time, absent days do not alter tuition. Absent days are defined as any day that school is in session but you choose not to bring your child to school on their regularly scheduled day for any reason, including illness.

When school is canceled or delayed due to weather or any circumstance that ends in a decision to close school or delay school, it will not alter tuition.

There will be a late charge of \$1.00 for each minute a parent/guardian is late for pick-up. After three violations, fees for late pick-up will be doubled. In cases of car-pooling, each family will be assessed the late pick-up fee.

If you are signed up for a half-day and your child needs to stay for a full day, the fee for the additional half-day is \$14.00. Parent/guardian must receive advance authorization from our staff to make sure we can accommodate your child for the additional time. You may also request authorization for your child to attend on a day that your child does not normally attend our program; the fee is \$28.00 for the extra day. Again, parent/guardian must receive advance authorization from our staff to make sure we can accommodate your child for the additional time. This is to make sure we have enough staff scheduled per the state required child to adult ratios.

We use a tuition-based system to calculate our fees. Tuition is as follows:

Full Time	5 days per week	\$4950.00	9 payments of \$550.00
(Any time	4 days per week	\$4392.00	9 payments of \$488.00
Between 6:30a	3 days per week	\$3465.00	9 payments of \$385.00
And 5:30 p)	2 days per week	\$2493.00	9 payments of \$277.00
Half Time	5 days per week	\$3339.00	9 payments of \$371.00
(8:30-1:30)	4 days per week	\$2808.00	9 payments of \$312.00
	3 days per week	\$2250.00	9 payments of \$250.00
	2 days per week	\$1674.00	9 payments of \$186.00

Please note, the tuition is a yearly fee that is simply divided into 9 equal payments. You may feel that when we are on break you are paying for days that we are not in session. This is not the case, the tuition is calculated **based on the number of days we are in session** and the final yearly amount is simply divided into monthly payments to help you budget for your tuition fees. You are obligated to pay agreed upon tuition.

Registration

There is a \$35.00 fee paid upon registration. This is a non-refundable fee that secures placement in the program.

Discipline

The purpose of discipline is to promote and encourage self-control. The staff at St. Mary Daycare & Preschool feel that discipline and respect go hand-in-hand. Parents and staff need to work together to advance the growth and welfare of the children.

The staff at St. Mary Daycare & Preschool never condone physical punishment.

Discipline Policy

Purpose: To teach self-control and to promote learning in a safe environment. All discipline is consequence based.

Time-Out

Time-Out is the most severe form of discipline we can administer. Time-Out is to be used for the following reasons:

- Harming Self
- Harming Others
- Damaging others' property
- Saying hurtful or disrespectful words

When one of these infractions occurs there is no discussion of the incident. The staff member's response should be similar to: "I am sorry you chose to behave in such a manner. 'Infraction' is not acceptable behavior. Time-Out for you." Be factual, not emotional. Be quiet and firm, not loud. Use eye level, close conversation when possible.

Time-Out will be in a chair. Take the child to the Time-Out chair and say: "When you are ready to talk to me about 'infraction' let me know." Time-Out is 1 minute per year of age. The end of Time-Out is when the adult begins talk with the child. A timer shall be used to be aware of the length of time. The date, name of the child, the infraction and the length of Time-Out will be recorded in the book kept by the time out chair.

If a child is unwilling to talk about behavior, at the end of Time-Out repeat "No 'infraction'! If you do this again, you will return to Time-Out. Ask for help, use words to get help."

The staff will not approach a parent/guardian about Time-Out unless it is repetitive or the child's behavior was extreme. The parents will need to check the Time-Out book. If you wish to find out more about the incident please ask to speak to a staff member out of earshot of your child.

All other discipline is to be in direct response to the problem.

EXAMPLE: running staff member says, "You may not run in the room. I need for you to sit and play now!"

In all discipline actions:

- Avoid power struggles.
- Try to understand the child's situation.
- Do not humiliate or intimidate child.

Quiet Time

Quiet Time Area is in the book center or the single child station. The child may have a book during Quiet Time. The child may elect to go to the Quiet Area on their own or a staff member may instruct them to go to the Quiet Area. This may last from 10 – 15 minutes depending on the child. A quiet discussion of the behavior between child and the staff member should end this time.

It is very important that other staff do not interfere with discipline between a staff member and a child. Do not interfere with any disciplinary action unless the staff member involved asks for help or advice. We must support each other and form a united team for the sake of the child.

Discipline should be quick and meaningful. No action should take longer than a few minutes or the learning experience will be lost.

This discipline policy applies to all staff and parents while they are at the center.

Family/Custodial Situations – Relationship with the Daycare & Preschool

Our procedures are as follows:

In two-parent families it is assumed that both parents are living at the same address unless we have been notified otherwise. It is assumed that both parents are communicating regarding the child and all information is shared by and between the parents even if the parents have separate residences.

In families experiencing separation of parents or divorce, all information will be sent home with the child. It is assumed that both parents are communicating regarding the child and all information is shared by and between the parents. Since this situation frequently impacts the child's behavior, we ask that you inform the Administrator.

In cases of divorce and a decree involving a clear custody situation, the Administrator is to be informed and provided with a copy of the entire decree. Unless decree states otherwise, all communications will be sent home with the child for the custodial parent.

In cases of joint custody, it is assumed that the one copy of communications being sent home with the child will be shared by and between the parents. If an additional copy of information needs to be sent home, it must be requested of the Administrator.

Regarding parent conferences in all custody situations, general procedure is that one conference appointment is scheduled to be attended jointly, if both parents wish to attend.

Birthday Invitations

We do not allow birthday party invitations to be delivered in the room unless they are inclusive. This means every child must receive an invitation in their mailbox or every girl and every boy. The children are extremely aware of what they receive in their mailbox and of who was invited and who was not.

Food in the Classroom

Food or drink from home or a restaurant may not be brought into the room.

Roster

A roster is available upon request.

Safety of the Children

Children considered to be age appropriate for Kindergarten shall be allowed to run errands within the school building. Errands would be similar to the following: going to the main room from the nap room to retrieve a forgotten nap blanket. They shall not be allowed to use the restroom alone because the older school children have access to the private children only bathrooms.

Michelle Hostetler, Pam Gajda, Tami Adams, Regan Meier and Myla Hershberger have all completed courses in child protection (VIRTUS), Child First Aid and Child CPR and Communicable Disease. Michelle Hostetler, Pam Gajda and Tami Adams have additional training in Child abuse.

A staff member is in charge of a child or group of children at all times and shall be responsible for their safety. No child shall ever be alone or unsupervised.

The person responsible for bringing the child MUST be sure that a staff member is aware of the child’s arrival and departure.

We have a phone in the Daycare & Preschool office that is separate from the Elementary school phone. Please call 330-262-2752 to reach the Daycare & Preschool.

We participate in fire drills each month. We participate in tornado drills. We participate in Crisis plan drills.

Medical, Dental and General Emergency plans are posted in each room. Tornado and Fire Safety Station diagrams are also posted in each room.

It is our policy that our staff will not transport the children. In the case of an emergency the child will be transported by an Emergency Squad or parent/guardian.

All children in our program must have a signed Emergency Transportation Authorization form on file authorizing the child to be transported to Wooster Community Hospital. **If the parent or guardian refuses to authorize transportation we reserve the right to not allow the child to participate in our program.**

We do not participate in swimming or water activities.

An incident report will be completed if the child has an illness, accident or injury which requires first aid treatment, received a bump or blow to the head, is transported for emergency treatment or an unusual or unexpected event occurs which jeopardizes the safety of the children or staff.

Use of aerosols shall be prohibited when the children are in the room.

All staff members are obligated to immediately notify Children's Services if abuse or neglect is suspected – 330-345-5340.

We have two evacuation sites: 1) St. Mary Church, and 2) First Presbyterian Church, 621 College Avenue, Wooster OH 44691 (across the street from McDonald's). Please acquaint yourself with both sites. Depending on the crisis, one of these locations will be used.

All parents/guardians/adults are required to buzz into the building with the pad by the door.

Crisis Procedures

In the event of fire or a safety threat our first action is to be evacuation from the building and call 911. If the safety threat prohibits safe evacuation we blockade the the doors and call 911. In the event of a blockade we will not move until first responders arrive and enter the room.

In the event of a tornado or a severe weather threat our first response is to take shelter in the interior hallways near our classroom and/or nap room and call 911. If the weather destroys the building and/or renders the building unsafe we will evacuate the building.

In the event of an evacuation we will be safely away from the building and remain on the school property. If remaining on the school property is not safe we have two evacuation sites: 1) St. Mary Church, 527 Beall Avenue, Wooster, OH 44691 and 2) First Presbyterian Church. Depending on how far away we need to be to remain safe from the crisis, one of these locations will be used. Be aware that WQKT 104.5 is our local news radio outlet.

Management of Communicable Diseases

For the management of suspected illness our staff is guided by (1) the Ohio Department of Health and Ohio Department of Job and Family Services Handbook and (2) a Communicable Disease Chart. The Chart is on display in the Daycare & Preschool Main Room.

We will provide services for a child whose parents have a religious or medical objection to immunizations.

A staff member will immediately telephone parent/guardian when the child exhibits signs of illness.

Parents will be notified by a sign near the sign-in book if the children have been exposed to a communicable illness. We will also send a written note within 12 hours of being notified that a child was in the center with a communicable illness. Children will be readmitted to the center after at least 24 hours of being free of fever and other symptoms without medication. If they are not symptom free a doctor's note will be required stating that the child is not contagious.

1:14	4-5 year olds

Ratios for preschoolers 3 years and older may be doubled for 1 ½ hours at naptime as long as all children are resting quietly on their cots and there is enough staff in the building to meet the regular required staff/child ratio if there is an emergency.

Maximum group sizes are as follows:

Preschoolers 4-Kindergarten age	28

Records Transfer Policy

Developmental Screening Procedures

St. Mary School Preschool and Daycare uses the ASQ 3 to determine proper development of the children. Each child is screened within 60 days of enrollment. The results are scored using the process developed by the publisher. The results are shared with parents and the St. Mary staff and parent may discuss any additional concerns at that time. If scores show a need for further diagnostic testing, a referral will be made to the child's doctor.

Health Screening and Referral Process

Each child attending St. Mary School Preschool Daycare is required to have a physical (JFS01305) on file within 30 days of enrollment. When staff receive the physical it is placed in the child's file and the expiration date is noted on the classroom calendar. The physical is checked that the screenings are completed. If any of the screenings were not documented on the form by the child's physician you will be asked to have the screening completed. We provide all parents with information regarding the importance of the health screenings.
