Dear Parent,

I would personally invite you to consider St. Mary School for your child's further education. I'm thrilled to share the many wonderful opportunities available to prospective St. Mary School families. Please feel free to schedule your school tour and classroom visitation by contacting me personally.

Saint Mary School is a parish school operated within the Cleveland Catholic Diocesan School System. Nearly one hundred forty students in grades PreK-8 attend St. Mary School. Our faculty continues to be committed to a superior level of professional development. Many of our faculty members have Masters or Doctoral Degrees. Paraprofessionals support teachers and assist students in grades K-3.

Our school mission statement is "Growing in Character, Faith, and Knowledge". In our quest to facilitate student growth in character we participate in service projects. To establish a strong faith, the school community celebrates Mass weekly. To advance student knowledge, we offer high quality instruction across all subject areas. Our students display outstanding achievement in academic excellence. Students are encouraged to participate in Diocese-wide competitions for Science, Writing, Technology, Engineering, Math, and Public Speaking. We received the Thomas Edison Science Award for STEM Education and student research.

In addition, we offer a wide range of "extras" including Academic Challenge, Art Club, Choir, Drama Club, Enrichment, Extended Day Program, "Pop-up" Clubs addressing student interests, Social Justice Club, and sports. Speech therapy, tutoring services, and school psychological services are available for those students in need of specific accommodations.

Please also visit our school website, www.stmwoo.org, for more information.

Thank you for your time and consideration.

Sincerely,

Mrs. Laura Marvin
Principal

How Parents Can Help

As a parent, you can do a great deal to help the Kindergarten teacher understand your child. You will have an opportunity to meet your child’s teacher at “Sneak Peek” during Orientation, again at Grade Level Meetings, August 30, and at Parent/Teacher Conferences in October. If at any time you have questions about your child’s progress and/or adjustment to school, feel free to request a time to discuss your concern.

The following is a list of several things you can do at home to help your child have a happier, safer, and more productive school year:

Teach your child to:

- Say their name, address, phone number, and birth date
- Put on coat, hat, mittens, shoes, and boots
- Button or zip articles of clothing
- Tie shoes
- Use restroom appropriately
- Respect authority – teacher, principal, playground and cafeteria monitors
- Respect other children
- Be cautious of strangers

Help you child learn in these ways:

- Provide your child with a variety of interesting books, materials, and experiences
- Read daily with your child
- Engage your child in conversation
- Talk each day about what your child did and/or learned in school
- Show the value of school by encouraging regular, punctual attendance
- Develop a sense of responsibility through the assignment of realistic tasks at home
- Provide play time with friends outside of school

Our goal is to provide a balanced program where all children are provided an opportunity to develop at their own rate by observing, doing, discovering, listening, sharing, and creating. Emphasis is placed on understanding what is expected, making good choices, and solving problems throughout the school year and accepting responsibility for their actions.
